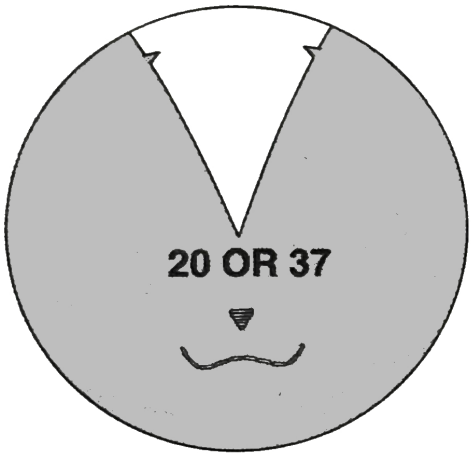
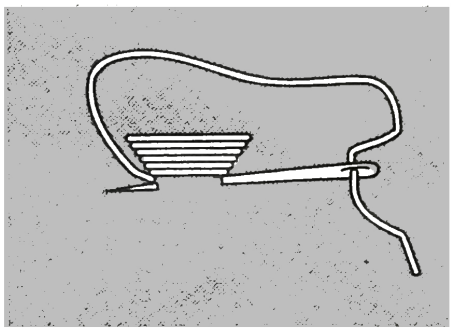
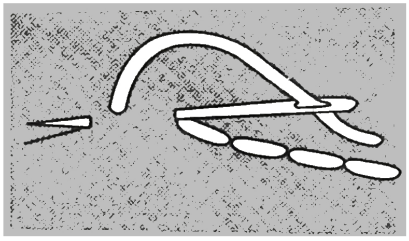
Work nose on HEAD FRONT (20) or (37) using a SATIN STITCH.

Work mouth using a BACKSTITCH.





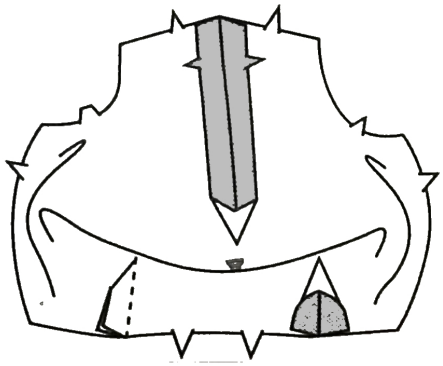
SATIN STITCH



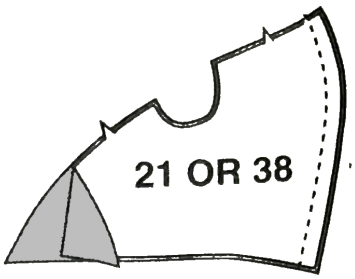
BACK STITCH

To stitch dart seams, fold head front on solid lines, RIGHT SIDES TOGETHER, matching dotted lines. Stitch on dotted lines.

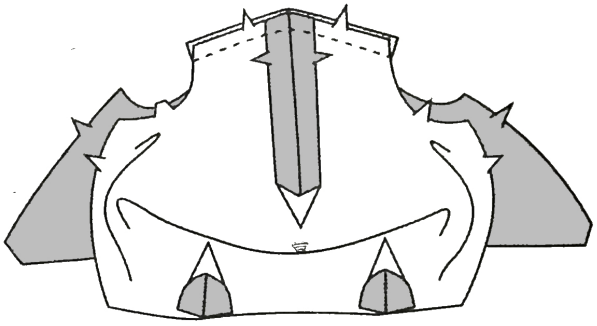
Press dart seams open and point flat.



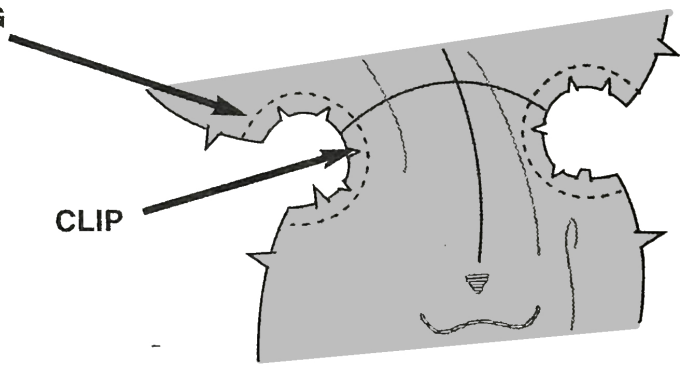
Stitch center seam in HEAD BACK (21) or (38).



Pin head front to head back, RIGHT SIDES TOGETHER, matching notches and seams. Stitch upper edge.

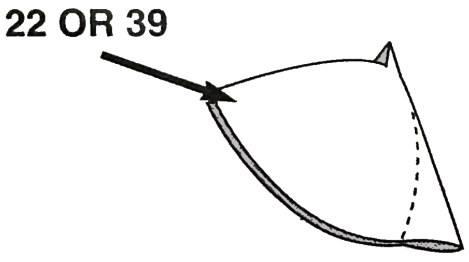


To stay-stitch ear openings, machine-stitch 1/8" (3mm) from raw edge. Clip to stitching.

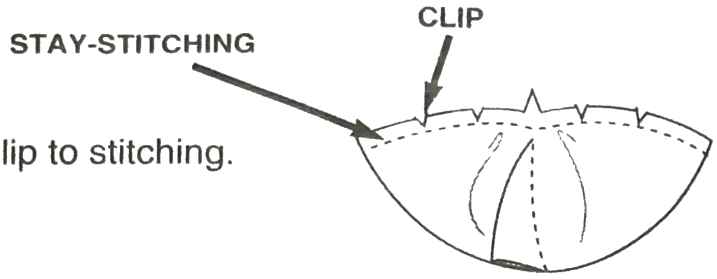


Stitch dart seam in each TIP (22) or (39).

Press dart toward one side.

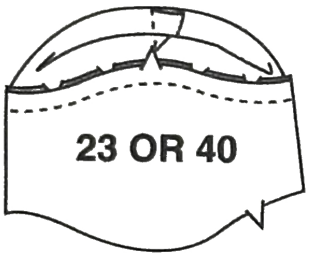


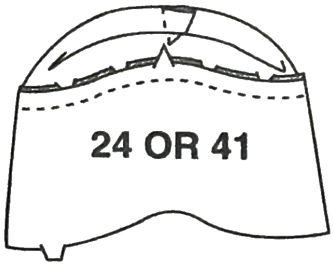
Stay-stitch NOTCHED edge of tip. Clip to stitching.



Stitch tip to RIGHT EAR (23) or (40) and LEFT EAR (24) or (41), RIGHT SIDES TOGETHER, matching notches.

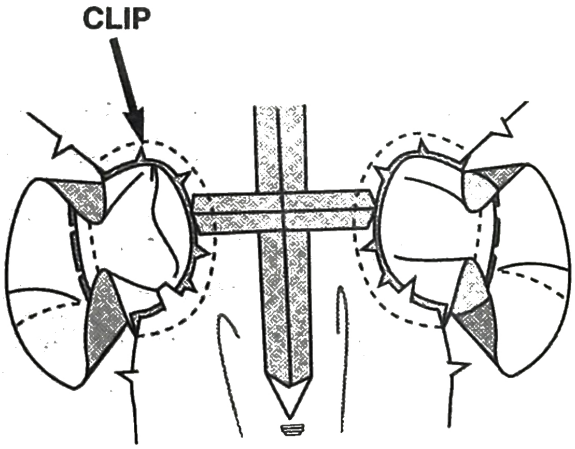
Press seam allowances toward tip.



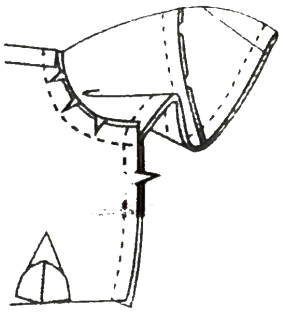


Stitch each ear to head, RIGHT SIDES TOGETHER, matching notches.

Press seam allowances toward ears, clipping as necessary.

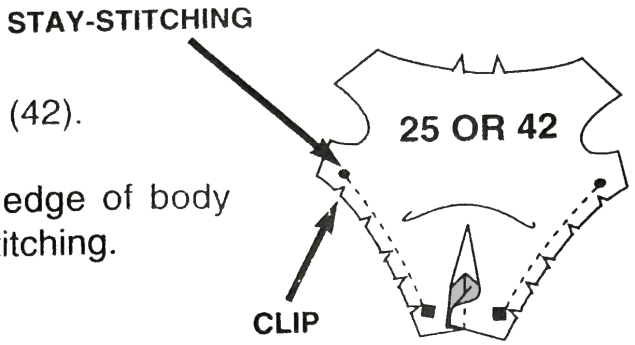


Pin side seam of ear and head, RIGHT SIDES TOGETHER, matching notches and seams. Stitch.



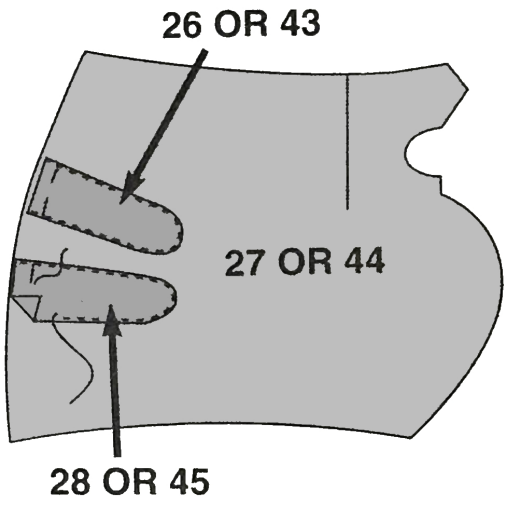
Stitch dart seam in BODY FRONT (25) or (42).

Stay-stitch UN-NOTCHED long curved edge of body front between circle and square. Clip to stitching.



With RIGHT SIDES UP, pin each UPPER STRIPE (26) or (43) and each LOWER STRIPE (28) or (45) to corresponding positions on each BODY BACK AND SIDE (27) or (44). Edge-stitch stripes in place.

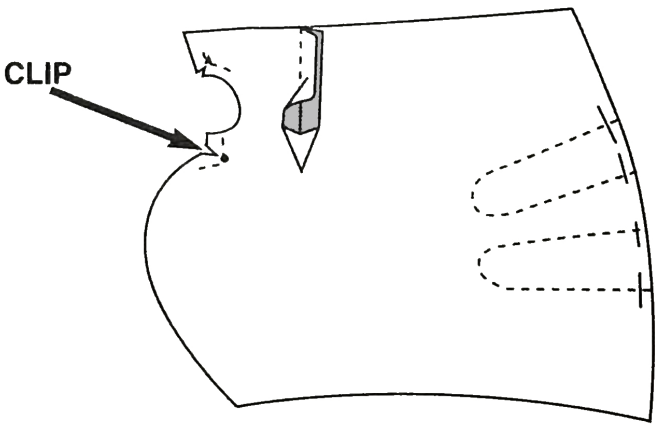
Baste raw edges together.



Stitch dart seam in body back and side.

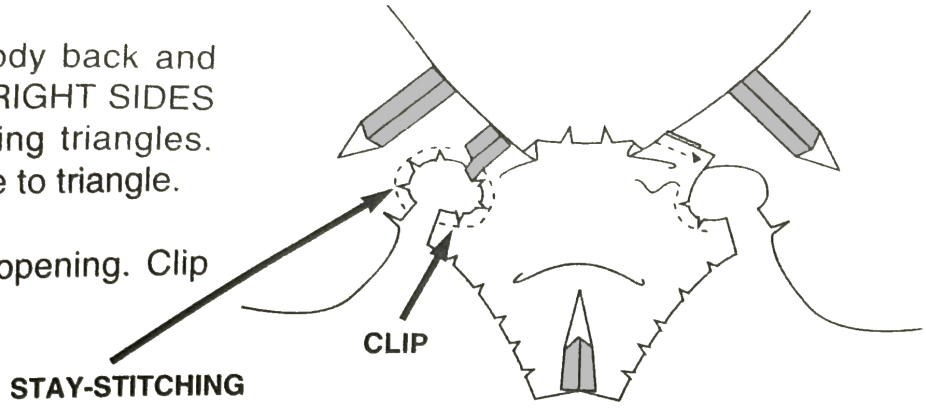
To reinforce body back and side, machine-stitch 1/4" (6mm) from raw edge through triangle and small circle.

Clip seam allowance to triangle and circle.



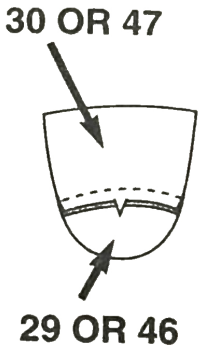
Pin body front to body back and side at upper edge, RIGHT SIDES TOGETHER, matching triangles. Stitch from neck edge to triangle.

Stay-stitch armhole opening. Clip to stitching.

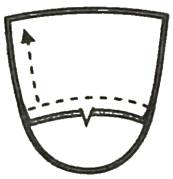


Stitch each HAND (29) or (46) to upper edge of each ARM (30) or (47), RIGHT SIDES TOGETHER, matching notches.

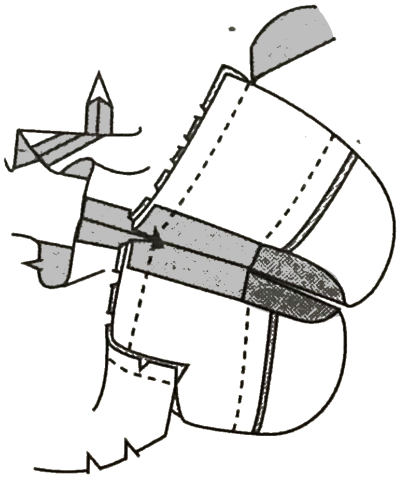
Turn seam allowances toward hand.



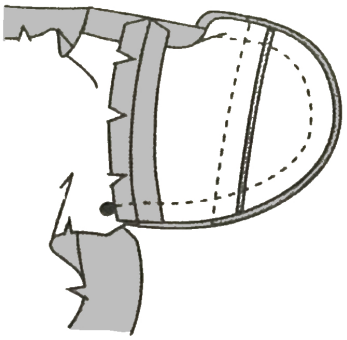
For each arm, pin two sections, RIGHT SIDES TOGETHER, matching seams. Stitch from triangle to seam.



Pin arms to inward curve of body, RIGHT SIDES TOGETHER, matching triangles. Stitch.

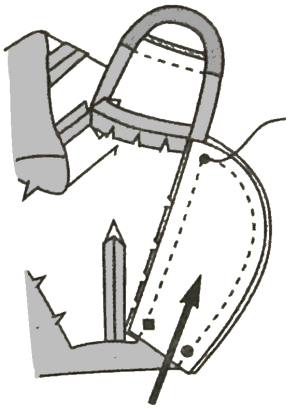


Pin body front to side edge of body back and side, RIGHT SIDES TOGETHER, matching small circles; then pin armhole edges together, matching seams. Stitch from circle to upper edge of hand, connecting with previous stitching.



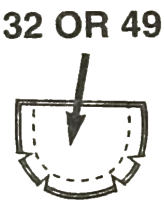
Pin each LEG (31) or (48) to body front and body back and side, RIGHT SIDES TOGETHER, matching small circles and squares. Stitch each side from lower edge to circles.

Turn RIGHT SIDE OUT. Press.



Stitch two FOOT (32) or (49) sections, RIGHT SIDES TOGETHER, keeping straight edge free.

Clip curves.

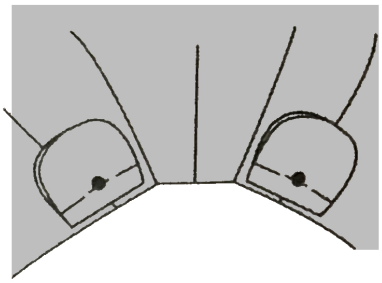


Turn RIGHT SIDE OUT.

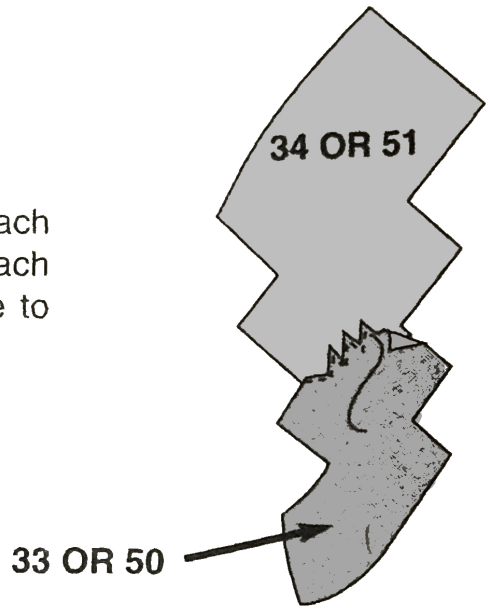
Stuff feet lightly with fiberfill.

Baste raw edges together.

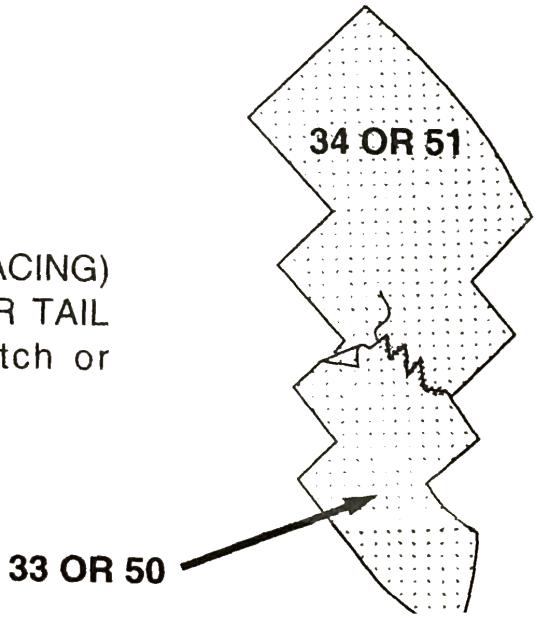
Pin feet to lower edge of body, matching large circles. Baste in place.



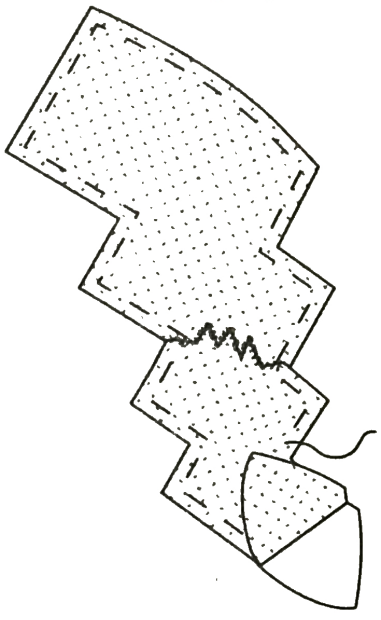
With RIGHT SIDES UP, lap pointed edges of each LOWER TAIL (33) or (50) to line indicated on each UPPER TAIL (34) or (51). Stitch lower tail close to pointed edges.



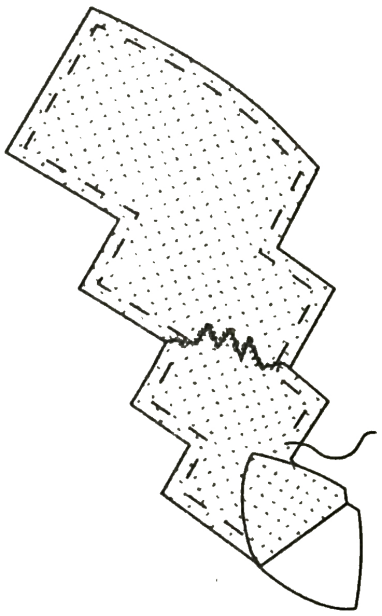
Lap pointed edges of LOWER TAIL (INTERFACING) (33) or (50) to line indicated on each UPPER TAIL (INTERFACING) (34) or (51). Catch-stitch or machine-stitch together.



Baste interfacing to WRONG SIDE of one tail section.



Baste interfacing to WRONG SIDE of one tail section.

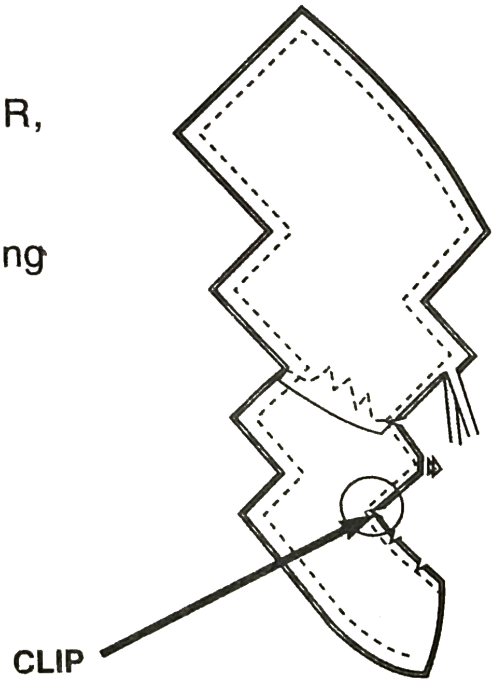


Stitch tail sections, RIGHT SIDES TOGETHER, leaving back edge free.

Cut seam allowances to 1/4" (6mm) and interfacing close to stitching.

Cut corners diagonally.

Clip curves and to inward corners.



Turn RIGHT SIDE OUT. Press.

Baste raw edges together.

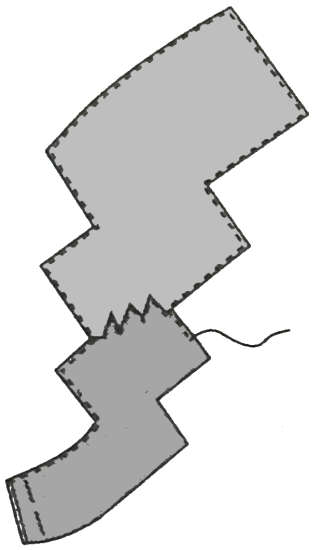
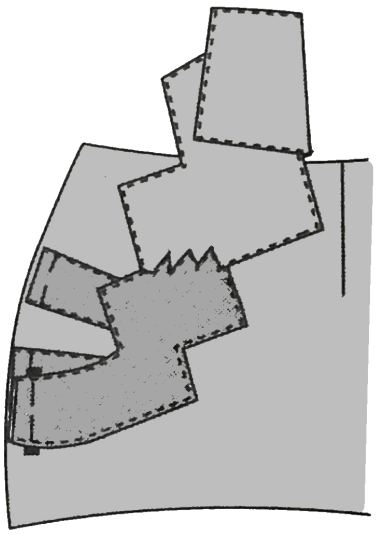
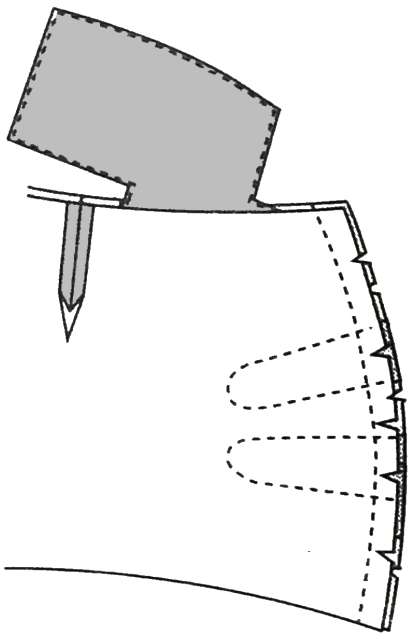
Pin tail to back of body between squares. Baste in place.

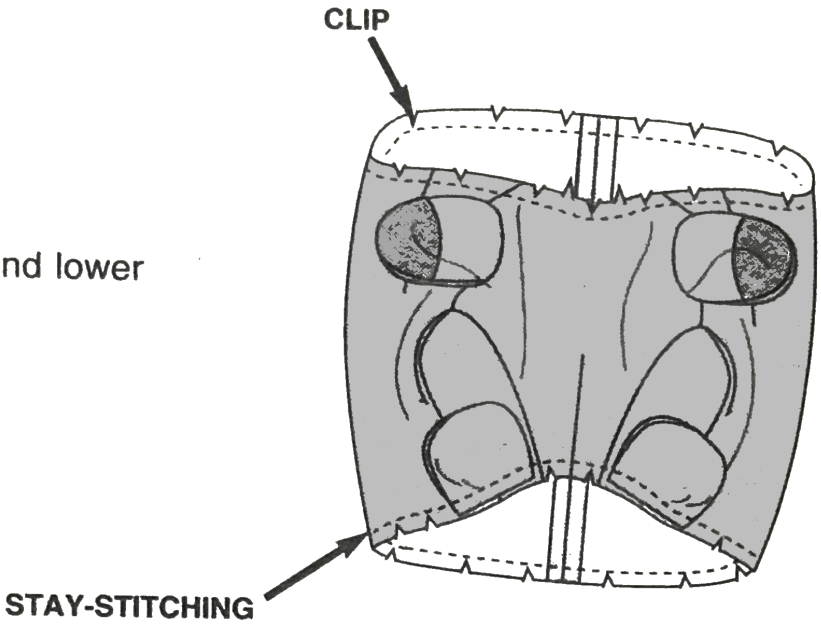




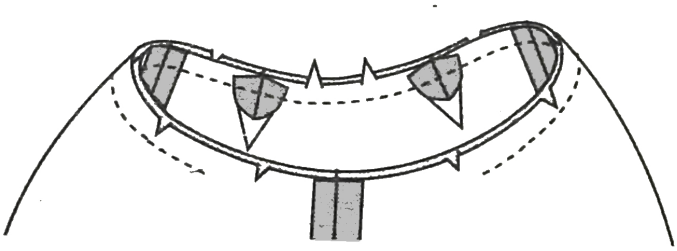
Stitch center back seam in body, RIGHT SIDES TOGETHER.



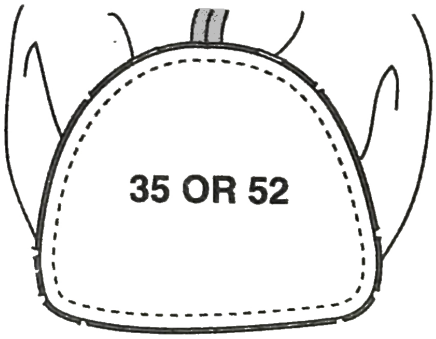
Stay-stitch and clip upper and lower edge of body.



Pin head to neck edge of body, RIGHT SIDES TOGETHER, matching notches and center fronts. Stitch, leaving an opening for turning



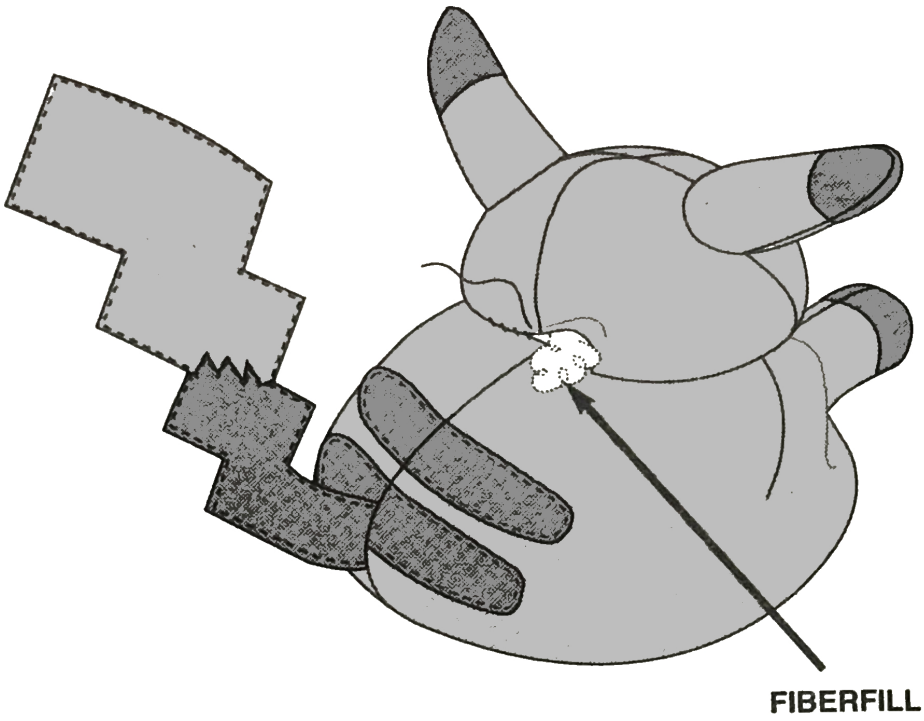
Stitch BOTTOM (35) or (52) to lower edge of body, RIGHT SIDES TOGETHER, matching centers.



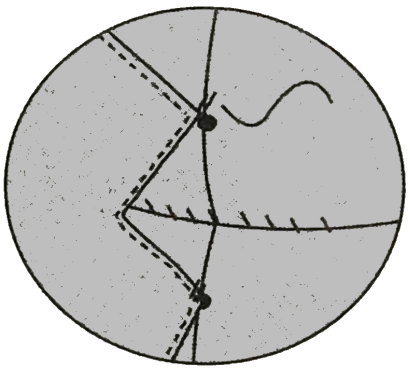
Turn RIGHT SIDE OUT.

Stuff doll firmly with fiberfill.

Slipstitch opening edges together.

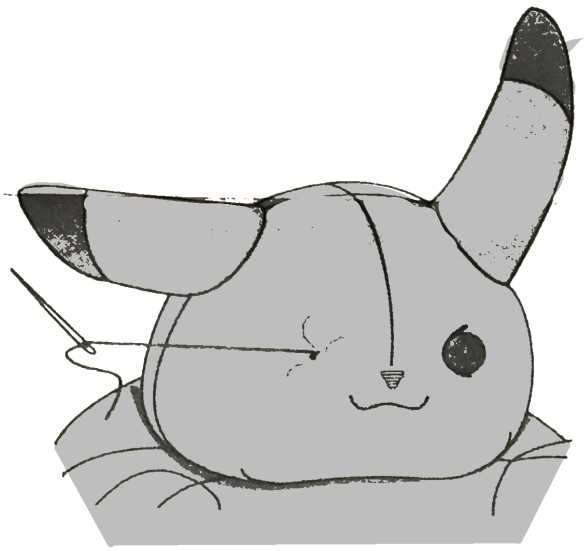


Tack corner of upper tail to back at circles.

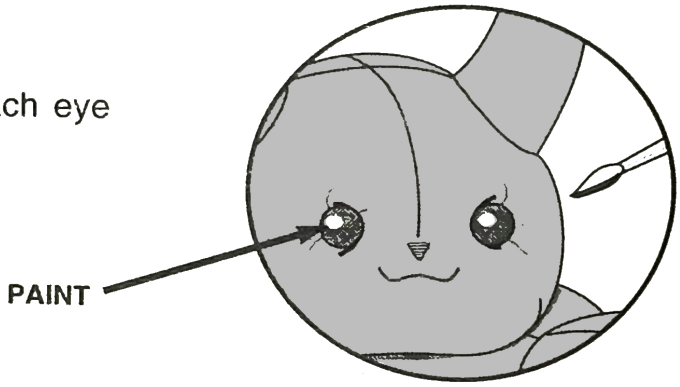


Sew one button to eye position on one side of head. Push needle through head, coming out on other side of head at eye position. Pull thread slightly to make an indentation, taking a small backstitch to secure.

Hand-sew second button to remaining eye position.

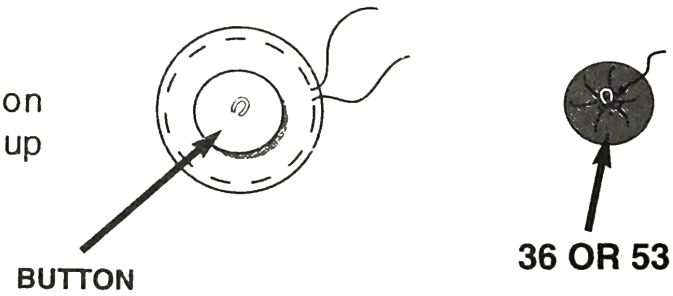


For pupil, paint a small dot on each eye using white paint.



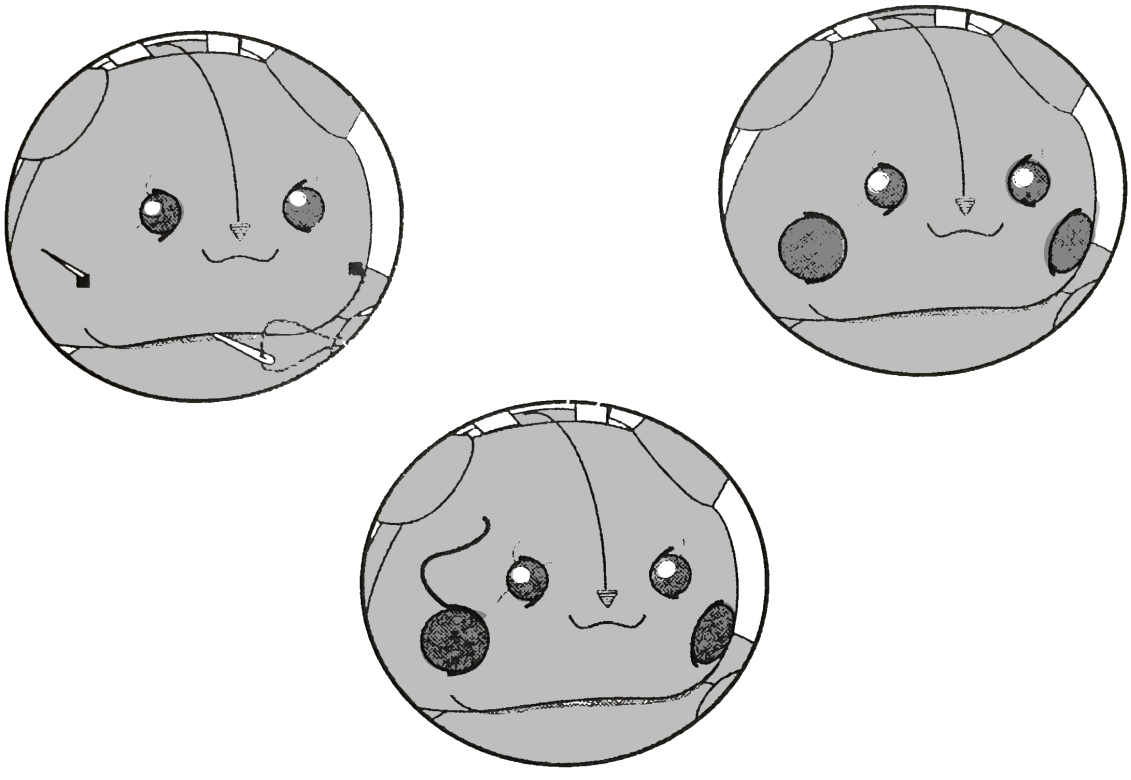
Hand-gather outer edge of each COVER (36) or (53).

For cheeks, center one button on WRONG SIDE of each cover. Pull up gathers tightly. Secure thread ends.



Push needle through center front at neck edge, coming out on one side of head at square. Pull thread slightly to make an indentation, taking a small back-stitch to secure. Sew one button cheek to this same side at square.

Repeat for remaining button cheek.



Thread needle with yellow embroidery floss.

To form fingers, make a small backstitch at one circle on one side of hand.

Insert at backstitch and bring over hand at opposite circle. Repeat, having thread lie along solid line. Pull up thread slightly, forming and indentation. Secure in place.

Repeat for remaining circle on hands.

Form toes in same manner.
